

MY KEAHAK NAMES

Eli Malaika

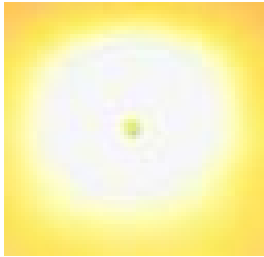

Eli was my first Keahak name and this is the explanation I gave, when someone in the forum asked about the meaning of our names > <https://www.melipotamou.com/linear-time-flow-2012/dancing-with-eli>
Later, touched by this sweet song, I added Malaika, angel in Swaheli <https://youtu.be/q8jxALtWGVQ>
Nakupenda Malaika, I love you, Malaika.

KIO'O DE MONROYAUME

Looking for ,crystal' > <https://a-crystalline-advent-ure.weebly.com/25.html>
in other languages, I found KYO, again in Swaheli....

MONROYAUME is of course my own sovereign domain, no longer exiled as a stranger in a foreign land, but now in all of my own energy, my home, my kingdom, mon royaume.

Ihlioh

from Greek ilios, sun, my own central sun, my radiating consciousness.
And as,captain Ihlioh' I invited the KVII fellow Keahakers on my advent.ure through the stars....

AmoRosa

Again a playing with words and languages
Amo Rosa = it. I love the rose and amorosa = it. amorous
amorous of Self and of the andante amorosissimo by the count of Saint-Germain, in mp3 at the bottom of
<https://www.melipotamou.com/love-of-self-gems.html> and in this YouTube video, see
<https://www.melipotamou.com/musique-et-bio-du-comte-de-saint-germain.html>

Oiseau-lyre

Another explanation when in KVIII someone asked about the meaning of our name that in the beginning of the Keahak year I used in English:

“Lyrebird resonates with and in a way distills what Adamus calls „the SYMPHONY together with the HUMAN,

the MASTER, the I AM, taking a deep breath together now, and simply letting out these rays of joy which are actually Creation.“

LYRE is the HUMAN instrument playing the joyful SONG OF THE SOUL in this reality on the BIRD wings of the MASTER's wisdom.

The French name OISEAU-LYRE has been near and dear to me for a long time now as with Jacques Prévert's poem ,Page d'Écriture' <https://atelierchrysalide2010.blogspot.com/2011/11/der-mauerfall-fall-of-wall.html> it has become quite a well known symbol for things like IMAGINATION, MUSIC, ART, BEAUTY, PLAYFULNESS, LIBERATION OUT OF THE MENTAL BOX AND SOCIAL HYPNOSIS, RETURN TO THE NATURAL STATE OF BEING. “

And then I added **in DeLight**, as it's an enthusiastic, joyful feeling, a de-LIGHT-ful radiance.

Oh!

simpy in awe
and whatever meaning this might express in different contexts.

Suono
