

'you've let yourself go off into this rather isolated focused place, you've let yourself go into deep experience. and for so very, very long you felt alone. you're not. ...

an interesting thing about oneness: only you - only you, the human - can break through this illusion. your soul couldn't do it, wouldn't want to do it. even the master, the merlin, wouldn't want to do it. it's all up to you to really take down those barricades, those blinders, those walls that you have put up.'
